

Omega Catalogue

Yes! A catalogue!! The Omega branded items advertised in the last newsletter were very well received!! So with those orders, with people having made requests for other items... and with the items I'd ordered as gifts and therefore didn't include in the last newsletter... we now have a rather nice little range of bits and pieces! So, here is what's available. Some items can be personalised. Also, the actual item price may be less than quoted here because the company offer limited-time discounts on some items eg mouse mats for only £3.50

All prices shown are exclusive of P&P.

I would also like to give a huge thank you to those who offered to pay the full price for their ordered items, even although I had taken advantage of a discount, on the understanding that the difference would be put towards next year's www.OmegaSquadron.com upkeep. Any surplus will be donated to charity.
